

## **IDX EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT**

It is the policy of IDX that equal employment opportunity be provided in the employment and advancement for all persons regardless of race, religion, color, national origin, sex, age, sexual orientation/gender identity and status as a protected veteran or individual with a disability at all levels of employment, including the executive level. IDX does not and will not discriminate against any applicant or employee regardless of race, religion, color, national origin, sex, age, sexual orientation/gender identity and status as a protected veteran and/or individual with a disability to any position for which the applicant or employee is qualified. In addition, IDX is committed to a policy of equal employment opportunity and it shall apply to all employment practices, including, but not limited to hiring, upgrading, demotion or transfer, recruitment, recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship and on-the-job training. Decisions related to personnel policies and practices shall be made on the basis of an individual's capacity to perform a particular job and the feasibility of any necessary job accommodation. IDX will make every effort to provide reasonable accommodations to any physical and mental limitations of individuals with disabilities and to disabled veterans.

Employees and applicants shall not be subjected to harassment, intimidation, threats, coercion or discrimination because they have engaged in or may engage in any activity protected by state, federal or local anti-discrimination laws.

Our obligations in this area stem from not only adherence to various state and federal regulations, but also from our commitment as an employer in this community to provide job opportunities to all persons regardless of race, religion, color, national origin, sex, age, sexual orientation/gender identity and status as a protected veteran or an individual with disability. IDX's EEO policy includes the full support of its Chief Executive Officer, Tom Kelly.

IDX is also committed to abiding with the Pay Transparency Nondiscrimination Provisions and therefore, will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. The IDX employees who have access to the compensation information of other employees or applicants as part of their essential job functions are informed and trained to not disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) a response to a formal complaint or charge; (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the IDX's legal duty to furnish the information.
